Investing into the Commonwealth Games 2022 Opportunity

Our goals

- We support ideas and activities that matter to people and communities.
- We use our funding and relationships to help create stronger, more connected communities.

Our values

People Led

Ensuring the people you work with are meaningfully involved in the development, design and delivery of your work.

Strengths based

Supporting people and communities to build on the knowledge, skills and experience they already have to make the changes they want.

Connected

Demonstrating a good understanding of other activities and services in the community and showing how your proposal will complement these.

Reaching Communities

Application through open funding programmes

Reaching Communities Above £10k

Awards for all Up to 10K

WMCA funded to help young people from across the West Midlands to learn new skills, secure employment or become a volunteer in the B2022 Commonwealth Games

Through local delivery organisations young people get dedicated, personalised support to help apply for Games' linked roles including assistance with applications and preparation for interviews, as well as support to help them secure further training, volunteering or work after the Games has finished.

Development of youth voice to bring in young people to shape and direct the project.

West Midlands

Learning and Approach

The pace can be erratic, can be slow to grow but then need progressing quickly. The need for us to be adaptable and transparent about our processes to manage expectations

The need to consider development funding

Having Conversations with key stakeholders to understand wider investment and potential funding opportunities or collaborations

Ask to see early versions of potential proposals

Following the wider investment picture is complex, having regular contact points is important

Keep sight of important principles and how can we support these, for example youth voice, legacy impact
